2018 IVANS Leadership Award

2014 | 2016 | 2018

Donegal Insurance Group has received the IVANS Leadership Award!

The IVANS Leadership Award honors insurance carriers for excellence in increasing connectivity and automating data exchange across the independent insurance agency channel.

“Donegal is honored to receive the IVANS Leadership Award recognizing our commitment to provide our agents with best-in-class solutions that enhance the ease of doing business and build the connectivity and communication between carriers and agencies that we believe is integral to an effective and successful business relationship.” said Brian Donovan, Assistant Vice President, Information Services.

The IVANS Leadership Award recognizes Donegal for distinguishing itself in the advancement and innovation of carrier-agency connectivity. Awarded carriers are those companies that have displayed leadership in advancing agency connections, demonstrated innovative approaches to IVANS Download or IVANS Real-Time implementation, and driven exemplary initiatives around adoption of download or real-time solutions. IVANS Insurance Solutions is a division of Applied.
